The petitioner sought measurement of his properties. He obtained Ext.P1 order from the Survey Adalath as early as on 17.6.1992. He has been representing before the authorities for implementation of Ext.P1. Ultimately, the petitioner resorted to the remedy available under the Right to Information Act pursuant to which Ext.P4 has been issued to him saying that the matter has been referred to the 2nd respondent for appropriate action. The petitioner now seeks expeditious conclusion of the proceedings. I have heard the learned Government Pleader also. In view of the facts revealed as above, there would be a direction to the 2nd respondent to complete the proceedings pursuant to Ext.P1, as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment.
